

DISASTER RISK MANAGEMENT INFORMATION CENTRE

July, 05 2006

Under UEVR Program as part of awareness generation activities we have initiated campaign name as **DISASTER RISK MANAGEMENT INFORMATION CENTRE** with the help of The Gujarat Institute of Civil Engineers & Architects, Ahmedabad. This centre cum exhibition will open on every Saturday between 16:00 to 19:00 for community at The Gujarat Institute of Civil Engineers & Architects, Gajjar Hall, Opp. British Library, Law Garden, Ahmedabad.

Citizens will visit & collect IEC materials about Disaster Preparedness. People would have solution of questions about various disasters. This has been started from last Saturday (1st July,06). On initial bases it will works up to last Saturday of August, 2006.

On 1st July total: **55 community members** visited this centre & collected information about various disasters & IEC materials viz. leaflets of Earthquake, Flood, Industrial Accidents, Fire, Pocket booklet of Do's & Don'ts, Tips on Earthquake safety.
