

Urban Earthquake Vulnerability Reduction Programme
Ahmedabad Municipal Corporation

Neighbourhood Meetings in the Month of
August 2007

Back Ground:

Under continuous education Program they have set up 128 centers in different areas of Ahmedabad city under guidance of Ahmedabad Municipal Corporation Literacy Committee which is headed by Hon. Chairman of City Primary Education Committee of AMC with the purpose of adult education and training regarding income generation activities. Generally youth of the particular areas visits this centers everyday.

Under UEVR Programme we have approached this on going development scheme and also covered 1100 volunteers in Community Based One day First Aid Training.

In second phase we have planned series of Neighborhood meetings in different areas of Ahmedabad City with the help of these centers and some trained Disaster Management Volunteers from different universities.

We have covered 11 wards by conducting 24 Neighborhood meetings in the month of July 2007.

In this month of August 2007, we have conducted 36 Neighborhood meetings in another 13 wards of Ahmedabad City and tried to share information about Disaster Preparedness to 1613 persons (M- 224 & F- 1389).

Process followed as:

One or Two trained DM volunteer visited this center and conducted Neighborhood Meeting with the support of trained first aid volunteer. Timings of the each meeting is 18:00 to 20:00. Neighborhood meeting mainly focused on following topics with the community participatory approach as,

- ✓ Identification of geographical location of Neighborhood
- ✓ Social and Economic culture of particular Neighborhood
- ✓ History of disaster in Neighborhood
- ✓ Hazard analysis of Neighborhood
- ✓ Basic understanding of various disasters
- ✓ Do's and Don'ts about natural and manmade disasters with the help of posters
- ✓ Discussion on long term mitigation measures in neighborhood
- ✓ Identification of 10 or 12 volunteers as DMT for First aid and Search & Rescue
- ✓ IEC distribution
- ✓ Feed back of community and interaction with them.
